

# MedScope Key Lockboxes

**- Easy Access To Key In Case Of Emergency -**

**A** lockbox offers a safe and secure way to store a key outside of your front door. This allows emergency personnel to easily gain access to your home during an emergency.

With our lockboxes, you can choose any 4-digit combination you wish. Simply let us know the combination and we will notify EMS so they can retrieve the key. These are offered in 2 styles - hanging (doorknob) or wall mounted.

## MedScope Key Lockbox Features

- > Large key storage compartment holds over 5 house, car, or padlock keys.
- > Four dial resettable combination provides simple, set-your-own combination convenience.
- > Key storage door pivots open smoothly and remains attached to lock body for convenient operation.
- > Shutter door provides enhanced weather resistance.
- > Reinforced body withstands hammering and sawing.
- > Attractive design blends with décor to minimize attention.
- > **DIMENSIONS:**  
Hanging (door knob): 3 9/16 in. (width) x 4 in. (length) x 1 9/16 in. (depth)
